MINISTRY OF STATES

New Delhi, the 21st March 1951

No. 53-P.—The Central Government is pleased to make the following amendments in the Notification of the Government of India in the Ministry of States No. 119-P, dated the 12th September 1950, viz.:—

(1) Against Serial No. (12), for "Shri R. Suisa" substitute "Shri Thisan Lulkham".

(2) Against Serial No. (1), for "Shri Krishnamohon Singh" substitute "Shri Ng. Tompok Singh".

MINISTRY OF COMMERCE AND INDUSTRY**PUBLIC NOTICES****IMPORT TRADE CONTROL**

New Delhi, the 20th March 1951

SUBJECT:—Issue of import licences for Photographic material falling under Serial Nos. 303 and 305 of Part IV of the Import Trade Control Schedule for the licensing period January-June 1951.

No. 58-ITC(P.N.)/51.—The attention of the importers is invited to the entries in Appendix 'C' to the late Ministry of Commerce, Public Notice No. 150-ITC(P.N.)/50, dated the 15th December 1950, against Serial Nos. 303 and 305 of Part IV of the Import Trade Control Schedule.

2 It has been decided that there will be a joint quota for the goods falling under Serial Nos. 303 and 305 of Part IV of the Import Trade Control Schedule.

3. Importers can submit documents in support of their past imports of goods falling under either of these Serial Numbers and secure licences for import of goods under these Serial Numbers. Where a firm has got imports of goods falling under both the Serial Numbers, the same basic year should be selected for purposes of calculation of quota.

4. Where licences have already been issued for either of these Serial Numbers on the basis of imports of goods falling under either of these Serial Numbers on the basis of imports in different basic years the licences will not be modified.

5. Importers who have already secured separate licences for goods falling under these two Serial Numbers can utilise the licences for import of goods falling under either of these Serial Numbers irrespective of the fact that the licence shows only one Serial Number.

6. It will not be necessary for the licence holders to produce licences issued for the period January-June 1951 for modification to the licensing authorities.

7 Licences issued for the earlier periods will not be allowed this concession.

SUBJECT:—Validity period of licences issued for wrapping and packing paper falling under Serial No. 160 of Part IV of the Import Trade Control Schedule.

No. 59-ITC(P.N.)/51.—The attention of importers is invited to the late Ministry of Commerce Public Notice No. 155-ITC(P.N.)/50, dated the 4th December 1950.

2 It has now been decided that the validity period of licences for wrapping and packing paper falling under Serial No. 160 of Part IV of Import Trade Control Schedule should be one year instead of six months from the date of issue.

3. Licences already issued for July-December 1950 or January-June 1951 periods for the above mentioned item with six months validity period should be treated as automatically validated for one year from the date of issue.

New Delhi, the 21st March 1951

SUBJECT:—Increase in Continental and U.K. freight rates and consequential increase in the c.i.f. value of the goods.

No. 60-ITC(P.N.)/51.—It has been reported that shipping companies have increased freight rates on goods imported from the Continent and the U.K. by 10 to 25 per cent. Ordinarily licences are valid for the c.i.f. value shown on them and it is incumbent on the importers to ensure that the c.i.f. value of the goods on arrival does not exceed that shown in the licence. It has been decided as a special case that where a licence had been issued on or before the 28th February 1951, the Customs authorities will allow the c.i.f. value of the licence to be exceeded by the amount of the increase in the freight rate subject to a maximum of 1 per cent. of the c.i.f. value mentioned in the licence.

2. Importers should arrange that the invoices show the increase in the freight rates separately to facilitate clearance against the concession indicated above. Where the increase on account of the freight exceeds 1 per cent. of the c.i.f. value of the licence, the importers should approach the licensing authorities with the necessary documents when the question will be considered. In other cases there will be no necessity to make any reference to the licensing authorities.

3. In the case of licences issued after the 28th February 1951 as the new freight rates will have become operative prior to the issue of the licence no increase over the c.i.f. value mentioned in these licences will be allowed.

New Delhi, the 24th March 1951

SUBJECT:—Extension of validity of all import licences granted for goods falling under Parts II to V of the Import Trade Control Schedule to all ports in India.

No. 61-ITC(P.N.)/51.—It has been decided that notwithstanding anything contained in the previous Public Notices all valid import licences for import of goods falling under Parts II to V of the Import Trade Control Schedule including C.G. and H.E.P. licences will now be valid for import of goods at any port in the Republic of India. Even though the licences may have been issued valid for entry of goods at one port only, no formal amendment of the licences would be necessary.

2. It has also been decided that after clearance of the goods in part at any one port the licence will be kept at the Custom House there and will not be returned to the party. If the balance of the goods against the licence is received at another port the Customs authorities will make necessary arrangements on request to enable the goods to be cleared at the other port.

3. Importers who know that their supplies will be arriving at different ports any how may apply for and obtain separate licences for goods expected at different ports to facilitate the speedy clearance of the goods.

SUBJECT:—Licensing of Oats for the breakfast food factories for the period January-June 1951.

No. 62-ITC(P.N.)/51.—The attention of importers is invited to the entries in columns 11 and 13 against Serial No. 32 of Part IV of the Import Trade Control Schedule in Appendix 'C' to the late Ministry of Commerce Public Notice No. 150-ITC(P.N.)/50, dated 15th December 1950.

2. It has now been decided to issue soft currency area licences for Oats, falling under Serial No. 32 of Part IV of the Import Trade Control Schedule to breakfast food factories to the extent of their 6 months requirements.

3. Applications should be made by the breakfast food factories, in terms and condition of the late Ministry of Commerce, Public Notice No. 150-ITC(P.N.)/50, dated 15th December 1950, so as to reach the office of the Chief Controller of Imports, New Delhi, on or before the 30th April 1951.

New Delhi, the 27th March 1951

SUBJECT:—Import of tea chests from soft currency areas during 1951.

No. 63-ITC(P.N.)/51.—In partial modification of Commerce Ministry Public Notice No. 141-ITC(P.N.)/50, dated the 13th November 1950, it has been decided to raise the import ceiling price of tea chests from sh.6-2d. c.i.f. mentioned in paragraph 4(c) of the said Public Notice to sh.9-0d. c.i.f. per set of tea chest 19"×19"×24", subject to the condition that shipments will be made direct from the country of origin.

SUBJECT:—Licensing of Cellulose Transparent Film or Papers, etc., during January-June 1951.

No. 64-ITC(P.N.)/51.—The attention of importers is invited to the entries against Serial No. 122(vii) of Part V, in Appendix 'C' to the late Ministry of Commerce Public Notice No. 150-ITC(P.N.)/50, dated the 15th December 1950.

2. It has been decided that:

For the existing entry under column 2 against Serial No. 122(vii) of Part V, the following shall be substituted, namely:—

"Films made from Transparent Cellulose or Viscacella, Royasne, Cellophane and other Transparent Papers."

3. Licences already issued for this item should be treated automatically to have been amended to cover Films made from Transparent Cellulose. Films made from compounds of Cellulose e.g. Cellulose Nitrate or Acetate cannot however be imported against the licence.

SUBJECT:—Licensing of motor vehicles falling under Serial Nos. 291, 292 and 296 of Part IV of the Import Trade Control Schedule for the period January-June 1951.

No. 65-ITC(P.N.)/51.—The attention of the importers is invited to Appendix 'Z-E' to the late Commerce Ministry Public Notice No. 150-ITC(P.N.)/50, dated 15th December 1950, fixing the c.i.f. value of each motor car in c.k.d. condition to the extent of Rs. 5,000 and Rs. 7,200 from the Soft Currency and dollar area countries respectively.

2. In the context of the present situation leading to an increase in the prices due to increase in freight rates, etc., it has been decided that the restriction regarding c.i.f. values mentioned above shall be waived.

L. K. JHA, Chief Controller of Imports.

AGRICULTURE

New Delhi, the 21st March 1951

No. F.9-3/51-Comm.II.—In pursuance of the provisions of Bye-Law XII (4) of the Bye-Laws of the Indian Central Arecanut Committee, the Central Government is pleased to publish the following audited accounts of Receipts and Expenditure of the Indian Central Arecanut Committee for the year ending 31st March 1950, along with auditor's report:—

Introductory.—The Indian Central Arecanut Committee was constituted in 1949 with the object of assisting in the improvement and development of the production and marketing of arecanut and arecanut products and all matters incidental thereto, such as research work for getting improved variety of seeds, assisting in the control of diseases which affect arecanut, giving financial aid to organisations growing and curing arecanut etc. Before the inauguration of this Committee, the preliminary survey of areas under arecanut

cultivation etc., was already conducted under the auspices of the Indian Council of Agricultural Research and the Indian Central Coconut Committee. Its only source of revenue at present is the grant placed at its disposal by the Government of India.

2. This is the first audit of the accounts of the Indian Central Arecanut Committee and the transactions for the period 1st November 1949 to 31st March 1950 with the connected records were checked in detail. The audit for the period from 1st April 1949 to 31st October 1949 has been conducted by the Accountant General, Trivandrum, as the transactions for that period were merged with the accounts of the Indian Central Coconut Committee at Ernakulam, within the jurisdiction of that Audit Officer.

3. A statement of receipts and expenditure of the Committee for the whole year 1949-50, in the form prescribed in the Bye-laws of the Committee, approved by the Government of India, is appended below, together with a separate statement of expenditure for the period from 1st April 1949 to 31st October 1949 already received from the Indian Central Coconut Committee and incorporated in the receipt and expenditure statement of the Indian Central Arecanut Committee for the year 1949-50.

Activities and expenditure of the Arecanut Committee, Calicut, for the year 1949-50.—A review of the accounts of the Committee discloses that the major items of expenditure incurred during the year relate only to charges on establishment, travelling allowance and contingencies including expenses connected with the meetings of the committee at Ernakulam and Delhi. Except for the work done in connection with the Central Arecanut Survey the progress of work on (1) Research, (2) Propaganda, (3) Marketing of arecanut and arecanut products and their preservation, (4) price control and (5) prevention of diseases to arecanut palms appears to be inappreciable. It was explained that the committee is still in its initial stages and that items of work of the nature detailed above would be taken up during the current year i.e. 1950-51 and after.
